Years of cleaning know-how

## The cleaning range for professionals

**CLEANING CATALOGUE**

We design, manufacture and distribute products that help to make the job of cleaning workplaces easier.

### Colour coding is key to hygiene

Based on industry best practice, many of our products are colour coded for use in designated areas. When ordering simply provide the product code and select your colour preference.

-  Blue: general lower risk areas (excluding food areas).
-  Green: general food and bar use.
-  Red: sanitary appliances and washrooms.
-  Yellow: washbasins and other washroom surfaces.

#### Sizes

3D sizes are shown in order of width x depth x height.

#### Order and delivery info

Free delivery on UK mainland orders over £250, orders under £250 are subject to a £20 carriage charge, and our minimum order value is £100. For overseas orders, please contact us for further details.

- Window accessories
- Window cloths

# WORK WITH US

We are proud of our products, but we recognise it is our people who truly make a difference.

Looking for a site survey to advise cleaning teams on the best products and practices to keep sites spotless and germ-free?

With decades of combined expertise, our Clean team understands that every customer and end user has a unique set of cleaning challenges.

## What we can do for you

Each member of our team is on hand and ready to share their cleaning know-how by spending a day with your customer – by your invite – and advising them on the best techniques and products to improve their cleaning regimes.

Then, whatever the setting – from shopping centre to school to care home – provide tailored on-site training, as well as product recommendations to make sure they get the right cleaning products to get the job done, all purchased through our distributors.

Sales Director

### Alastair Scott

As part of the founding family, Alastair takes a keen interest in all aspects of the cleaning industry and is passionate about innovation.

Head of Sales

### Gill Ireson

Gill oversees key buyer groups and the team for the business and is committed to delivering outstanding service.

Business Development Manager

### Steve Courtney

Steve is the product-lead for Toucan Eco, our sustainable disinfecting and cleaning system.

Key Account Manager

### Kelly Brierley

Kelly is one of our key account managers, specialising in healthcare and educational facilities.

Regional Sales Manager

### Ricky Clark

Rick brings with him extensive knowledge of the cleaning industry and has worked as an account manager for over 20 years.

Regional Sales Manager

### Pete Jones

Pete works across all sectors, is the 'go to' man for anything cleaning and robotics, and has an exceptional knowledge of the Irish market.

Regional Sales Manager

### Tom Capper

With extensive knowledge on the mop systems we offer customers, he provides recommendations and product training to all teams.

Regional Sales Manager

### Tracy Kirkpatrick

Tracy looks after the North and has experience in sectors including care homes, schools, industrial, construction, catering & hospitality.

CATERING

## CATERING - SPONGES &amp; SCOURERS

**Griddle Cleaning Kit**

The kit is made up of three parts: a plastic holder to avoid direct contact with hot surfaces; the thick griddle pad, which absorbs dirt and grease; and the abrasive screen to easily remove burnt-on food and grease from flat griddles and hot plates.

<b>102438</b>	Screen	14x10cm	20x10pk
<b>102436</b>	Pad	14x10cm	20x10pk
<b>101096</b>	Pad Holder (Heat Resistant)	14x9cm	10

**Griddle Brick**

An abrasive brick for cleaning hot griddles. An aluminium holder is also available and sold separately.

<b>103975</b>	Griddle Brick	20x10x9cm	12
---------------	---------------	-----------	----

## CATERING - SPONGES, SCOURERS &amp; ACCESSORIES

**Sponge Scourer**

Suitable for catering, and ideal for cleaning pans, grills, ovens, washing up, and general cleaning and wiping.

<b>102426</b>	Basics	8x12x4cm	20x10pk
<b>102418</b>	Caterers	9x14x4cm	50x10pk

**Hi-PUR Sponge Scourer**

Hi-PUR is a sponge scourer with a polyurethane (PUR) coating that scrubs away stubborn dirt and stains while being gentle on hard surfaces. It is backed with an absorbent sponge.

<b>104448</b>	6x14x4cm	10x10pk
---------------	----------	---------

**Coppercote Scourer**

A circular scourer made from fine metal mesh, coated with copper and ideal for use on more delicate surfaces as it is less likely to scratch.

<b>102545</b>	20g	20x20pk
---------------	-----	---------

**Galvanised Scourer**

A circular scourer made from fine metal mesh, ideal for cleaning burnt-on stains from grills, barbeques and metal pans.

<b>102587</b>	Large	60g	20x10pk
<b>102589</b>	Medium	40g	20x10pk
<b>102546</b>	Standard	24g	30x8pk

**Stainless Steel Scourer**

A spiral scourer made from stainless steel, great for all-round use in catering environments.

<b>102677</b>	40g	10x10pk
---------------	-----	---------

**Finger Gripped Sponge Scourer**

A large sponge scouring pad shaped for easy gripping.

<b>102424</b>	Green	7x13x4cm	50x10pk
<b>102425</b>	Non-Scratch White	7x13x4cm	50x10pk

<b>104908</b>	Non-Scratch Colour Coded	7x13x4cm	16x10pk
---------------	--------------------------	----------	---------

**Washable Nail Brush**

Double-sided plastic bristle nail brush, made from 20% recycled plastic and available in four colours.

<b>104946</b>	4x9x4cm	10x12pk
---------------	---------	---------

**Magic Erase-all Sponge**

A multi-surface cleaning sponge which quickly removes stubborn marks from most surfaces without the need for chemicals, just wet and wipe.

<b>102428</b>	6x10x3cm	18x10pk
---------------	----------	---------

**Sponge Cloth**

A good sized, thick sponge cloth with great absorbency for general cleaning and wiping. Easy to rinse and wring out.

<b>100236</b>	20x18cm	6x10pk
---------------	---------	--------

**Caterers Scourer**

Standard and heavy-duty scouring pads, designed to easily remove tougher dirt, suitable for use in catering and general cleaning. The standard green scourer is made from 40% recycled material.

<b>102446</b>	Standard	23x15cm	60x10pk
<b>105002</b>	Heavy-duty	11x15cm	60x10pk

**Washing Up Brush**

A handheld brush with curved handle and bristles, suitable for use in professional or domestic environments. Made from 20% recycled plastic and available in four colours.

<b>104952</b>	25cm	24
---------------	------	----

**Homeware Washing Up Brush**

Good quality brush with shaped bristle head, suitable for general washing up in a professional or domestic environment. Supplied in assorted colours.

<b>104969</b>	24cm	48
---------------	------	----

### Folding Catering Trolley

The trolley is made from durable polypropylene, and is fitted with two braked castors, an easy-to-use handle locking device, comes fully assembled and ready to use, and folds away for convenient storage down to 45x20x106cm. The maximum weight capacity is 60kg.

**105051** 66x40x84cm 1

### Catering Trolley

A wheeled trolley with three shelves made from tough, easy-clean plastic, ideal for storing and transporting ingredients and prepared food. Handles at both ends make the cart easy to move around even in smaller areas.

**101259** 42x98x88cm 1

### Heavy Duty Catering Trolley

Easy-clean cart with handles at either end to allow easy steering. Refuse bins sold separately.

**101702** Catering Trolley 42x80x92cm 1

**103999** Replacement Castor 4" 1

### Barista Cloth

The Barista cloth is a heat resistant, food safe, antibacterial cloth. Designed with the Barista industry in mind, it can be used on steam wands and other heated coffee machine components, while offering protection to the user. Externally certified against BS EN ISO 12127-1 2015 and approved to be heat resistant up to 250°C.

**104182** 42x33cm 20x10pk

Heat resistant

Highly absorbent

Anti-bacterial

Food contact safe

### Striped & Plain Apron

One-size cotton apron with halter neck and ties at waist, with handy front pockets, suitable for use in food preparation and service areas.

**100074** Plain White 70x96cm 10

**100001** Striped 70x96cm 10

### Ironing Board Covers

Cotton and metallised double-layered ironing board covers. Cotton covers in assorted colours.

**100819** Cotton Cover 42x100cm 2x10

**100820** Cotton Cover 44x135cm 2x10

**100822** Metallised Cover 42x100cm 2x10

**100823** Metallised Cover 44x135cm 2x10

### Washing Up Bowl

A general purpose, blue rectangular washing up bowl.

**104321** 38x28x14cm 24

CATERING – OVEN GLOVES & CLOTHS

**Plain Oven Glove**

A professional quality oven glove which conforms to thermal insulation requirements of EN 407:2020 ensuring excellent insulation and safety for users. Glove has two single-sided pockets. UKCA marked. Made from recycled fibres.

- 104175** 68x17cm 100    **104170** 91x17cm 20
- 104169** 76x17cm 20    **104171** 106x17cm 20

**Jolly Molly Double Oven Glove**

A thicker, professional quality oven glove with unique double-sided pockets. Conforms to thermal insulation requirements of EN 407:2020. UKCA marked. Made from recycled fibres.

- 104173** 76x17cm 20
- 104174** 91x17cm 20

**Caterers Oven Mitt**

Ideal for safely handling hot oven trays and pans. Made from recycled fibres.

- 105127** 20x45cm 100

**102751** 43x68cm 15x10pk

**Terry Check Tea Towel**

A high quality terry tea towel giving excellent absorption. Suitable for use in general catering environments. Comes in assorted colours.

**102769** 45x70cm 10x10pk

**Terry Tea Towel**

A standard terry tea towel. Suitable for general use in catering environments. Comes in assorted colours.

**102799** 45x68cm 10x10pk

**Rice Weave Tea Towel**

A popular durable tea towel available in assorted colours.

**102802** 45x70cm 10x10pk

**White Cotton Tea Towel**

A standard tea towel suitable for all drying tasks. Available in assorted colours.

**102813** 45x74cm 10x10pk

**Cotton Glass Cloth**

A standard quality glass cloth, available in assorted colours.

**102781** 50x76cm 10x10pk

**Linen Union Glass Cloth**

A quality cotton and linen mix glass cloth which gives a professional smear-free finish. Available in three colours.

**102777** 50x76cm 10x10pk

**White Honeycomb Waiters Cloth**

A professional quality towel, traditionally carried by waiters and used to wipe glassware or cutlery.

**102762** 50x76cm 10x10pk

**Kitchen Twill Tea Towel**

A top quality, professional standard heavy duty cloth with excellent absorbency for all drying tasks. Blue check only.

**102817** 53x76cm 20x5pk

**DUSTING & WIPING**

## DUSTING &amp; WIPING CLOTHS – DUSTING

## Flexi Cleaning Tool

A handheld tool which bends into shape to clean the trickiest places. The microfibre sleeve attracts and holds dust, and can be used dry for dusting or damp for tougher cleaning tasks. Chenille microfibre and disposable sleeves are also available. Can be used with cone fitting telescopic handles.

<b>103368</b>	Cleaning Tool	72x6cm	5
<b>100684</b>	Microfibre Sleeve	52x7cm	2x10pk
<b>104700</b>	Chenille Microfibre Sleeve	52x7cm	4x5pk
<b>104181</b>	Disposable Microfibre Sleeve	60x7cm	20x12pk
<b>103164</b>	Ergo-Globe Handle With Cone Fitting	90-162cm	10

## DUSTING &amp; WIPING CLOTHS – DUSTING

## Lambswool Duster

Made from soft, natural lambswool fibres, this duster effortlessly attracts and traps dust for a gentle, effective clean. The duster is great at reaching high spots, shelves and delicate ornaments with ease. Ideal for removing dust and cobwebs from hard-to-reach areas. Available with two lengths of handle as well as a telescopic option.

<b>105458</b>	61cm	20	<b>105454</b>	122cm	20
<b>105456</b>	48-83cm	5			

## Handy Microfibre Mitt

The Handy Mitt's microfibre technology effectively picks up dust and dirt, while the conventional mitt style helps the user to quickly clean flat or shaped surfaces. Made with an elasticated cuff for comfort and ease of use, the two-sided mitt can be used on either hand on both sides.

<b>103996</b>	24x17cm	10
---------------	---------	----

## Golden Magnet Dust Maid

The Golden Magnet Dust maid has a V-shaped fringe head which makes it ideal for use on difficult dusting areas like pipes and blinds, as well as a general handheld duster. Its short handle can also be attached to a longer pole to reach higher areas.

<b>101413</b>	Golden Magnet Dust Maid	17x45cm	10
<b>103164</b>	Ergo-Globe Handle With Cone Fitting	90-162cm	10
<b>103161</b>	Alloy Telescopic Handle	75-135cm	15

## Dust Maid

Handheld dusting tool with V-shaped fringe head which makes it ideal for use on difficult dusting areas like pipes and blinds, as well as a general duster. Its short handle can also be attached to a longer pole to reach higher areas.

<b>101412</b>	49x14cm	10
---------------	---------	----

## Golden Magnet Hi-gold Duster

The Hi-gold duster attracts and holds dust. Its swivel head reaches tricky areas and comes with a 110cm aluminium pole. The removable sweeper head can also be used as a mitt for hand dusting.

<b>102335</b>	Golden Magnet Hi-Gold Duster	110cm	1
<b>102336</b>	Hi-Gold Duster Replacement Head	25x17cm	10

## Yellow Duster

A traditional cotton-rich fabric duster which is good for all-round general use and available in economy, standard and heavy weights.

<b>103089</b>	Economy	50x35cm	500pk
<b>103103</b>	Standard	50x40cm	500pk
<b>103112</b>	Standard	50x45cm	500pk
<b>103123</b>	Standard	60x50cm	20x10pk
<b>103040</b>	Heavy	50x40cm	20x10pk

## Pipe Brush

Tough, heavy-duty angled brush with strong hard-wearing bristles for easy cleaning around pipes. Can be used with telescopic poles and handles.

<b>101526</b>	Pipe Brush	30x13cm	10
<b>103161</b>	Alloy Telescopic Handle	75-135cm	15

## Cobweb &amp; Dust Collector

Close-bristled, wire frame brush ideal for reaching and trapping dust and cobwebs. Available to fit telescopic poles and heavy gauge handles.

<b>101534</b>	Collector For Push-fit Handle	30x13cm	10
<b>101535</b>	Collector For Heavy Gauge Handle	30x13cm	6
<b>102857</b>	Homeware Heavy Gauge Handle	120x3cm	24
<b>103161</b>	Alloy Telescopic Handle	75-135cm	15

## Telescopic Domed Cobweb Duster

A lightweight dusting and cobweb brush with a twist and lock extendable handle to make light work of hard to reach cleaning jobs. Brush extends from 107cm to 174cm.

<b>104925</b>	107x19x19cm	12
---------------	-------------	----

DUSTING & WIPING CLOTHS – DUSTING

### Duop Cleaning Tool

Duop Reach is a versatile, extendable cleaning tool which features a unique ergonomic ball and socket joint, making cleaning easy and strain-free for the user. You can use the Duop with the handle for easy access to hard to reach areas or grip the ball directly for detailed cleaning. It makes manual cleaning safer and more effective as the ball and socket joint, along with the extendable handle, is ergonomically designed to reduce repetitive injuries caused by bending, kneeling, wrist flexing, twisting and stretching.

Microfibre cleaning    No chemicals required    Ergonomic design    Ball & Socket Joint

The Duop Reach Kit

The Duop Reach Kit includes an extendable handle, removable ball and socket frame, along with two cleaning and two glass microfibre pads with colour coding flags, five Hi-shine cloths and a spray bottle.

104094	Duop Reach Kit	96-162cm	1
104098	Duop Reach Handle	93-158cm	5
104099	Duop Ball Frame	15x15x7cm	5
104097	Duop Cleaning Pad	17x17cm	10
104100	Duop Glass Pad	17x17cm	10
104451	Wrist Lanyard	70cm	1

DUSTING & WIPING CLOTHS – NON-WOVEN WIPES

Ecofibre Compostable Wipes

Ecofibre is a general purpose non-woven cleaning wipe that's made from 100% natural compostable fibre. In composting conditions, after 6-months the Ecofibre cloth will biodegrade by 90%.

105181 40x32cm 10x50pk

Handy Wipes

A great value, lightweight, food safe and disposable wipe that is perforated so it provides good absorbency and dirt collection. Large size made from a viscose and polyester blend, and standard made from polyester with a hydrophilic agent.

104390 Standard 42x35cm 20x50pk  
104023 Large 60x30cm 20x50pk

Mighty Wipes

A soft, strong and highly absorbent general-purpose cleaning cloth. The wipe absorbs up to 10 times its own weight in water, and is ideal to easily clean-up spillages on all surfaces. The Mighty wipe is available colour coded plus white, and in medium and heavyweight sizes.

100237 Medium 38x38cm 20x10pk  
100240 Heavy 40x38cm 20x10pk

Velette Wipes

A general purpose, heavyweight, absorbent and food safe wipe that contains an antibacterial agent inhibiting germ growth and odours on the wipe. Can be washed many times. Made from a viscose, polyester and antibacterial blend.

100245 50x35cm 6x25pk

Ocean Wipes

A general purpose medium weight cleaning wipe. Made from a viscose and polyester blend. Ocean wipes are food contact safe.

100233 50x36cm 10x50pk

Handy Roll

A great value, lightweight and semi-disposable all-purpose cleaning wipe on a roll, which is perforated to provide good absorbency and dirt collection. The Handy roll contains 350 sheets, is food contact safe, and is available in four colours. It is made from polyester with a hydrophilic agent.

104628 22x37cm 2 rolls

Maxi Wipes

A heavyweight professional quality cloth for general purpose cleaning on all surfaces. Super absorbent and extra strong, it's ideal for tougher cleaning tasks. Made from a viscose and polyester blend.

100229 40x38cm 20x5pk

All-purpose Wipes

An antibacterial roll in a box keeps wipes clean and accessible. Containing a roll of 200 perforated, food safe and lightweight tear-off wipes, it's ideal for single use to prevent cross-contamination. Made from a viscose and polyester blend.

100247 37x22cm 6 rolls

## DUSTING &amp; WIPING CLOTHS – MICROFIBRE CLOTHS

**Exel® Microfibre Cloth**

Exel is our most popular knitted microfibre cloth, which is ideal for quick and effective cleaning.

**101157** 40x40cm 20x10pk

**Microtex® Microfibre Cloth**

Microtex is a premium microfibre cloth with high absorbency and is great for heavier duty cleaning tasks.

**101150** 40x40cm 3x10pk

**Microglass® Microfibre Cloth**

A professional quality microfibre cloth designed for the smear-free cleaning of glass and stainless-steel surfaces. Now made from 82% recycled material.

**101216** ●● 40x40cm 3x10pk

**101221** ● 76x70cm 3x10pk

**Nano-Ag Microbial Microfibre Cloth**

A premium microfibre cloth with Nano-Ag technology; a natural silver antibacterial agent that kills 99.9% of bacteria, preventing bacterial growth and bad odours on the cloth.

**101142** 40x40cm 30

**Contract Microfibre Cloth**

A good, all round cloth which offers great value for money. Also available in a lighter weight and pallet quantity option.

**101137** 40x40cm 20x10pk

**101137M** 40x40cm 36x20x10pk

## DUSTING &amp; WIPING CLOTHS – MICROFIBRE CLOTHS

**Hi-shine Microfibre Cloth**

Hi-shine microfibre cloth is designed to give a fast, smear-free clean on glass, steel and shiny surfaces. A thick, semi-disposable cloth which can be used damp or dry, it is highly absorbent but easy to wring out and dries quickly after use.

**101172** 40x40cm 10x10pk

**Mi-cloth Microfibre Pack & Roll**

Available as individual sheets in a pack or a perforated roll, Mi-cloth is a disposable microfibre cloth for general cleaning. Ideal for use to prevent cross-contamination, it is a low linting, lightweight and food contact safe cloth.

**103216** Pack (50 sheets) 38x32cm 12x50pk

**103217** Roll (250 sheets) 31x26cm 9 rolls

**Micro-box Microfibre Cloth**

This cost-effective and semi-disposable cloth perfectly fills the gap between disposable non-woven and reusable microfibre. Comes in a handy dispenser; simply pull, use and reuse. The cloth is made using an innovative, edgeless technology which means instead of being sewn the edges are ultrasonic-cut and fused to prevent fraying.

**104123** 30x30cm 8x50

**Hi-absorb Microfibre Cloth**

Hi-absorb is a heavyweight microfibre cloth made from a knitted blend of polyester and polyamide yarns, which are coated with polyurethane (PUR) to give it a soft and strong chamois-like feel. This means the fabric is effective at surface cleaning and is especially suited to high gloss surfaces requiring a streak-free finish such as glass and chrome.

**103986** 38x35cm 10x5pk

## DUSTING &amp; WIPING CLOTHS – FLOOR CLOTHS

**Floor Cloth**

A good, all-round medium-weight floor cloth which has abrasive qualities to help tackle tougher stains. Easy to rinse, wash and reuse. Made from recycled fibres.

**105121** 55x38cm 20x10pk

**Herringbone Floor Cloth**

A good, all-round heavy-weight Herringbone floor cloth which has abrasive qualities to help tackle tougher stains. Easy to rinse, wash and reuse. Made from recycled fibres.

**100742** 56x45cm 10x10pk

**Stockinette Roll**

Traditional stockinette rolls which can be cut to the size you need for cost effective cleaning. Available in natural or bleached yarn. Made from recycled fibres.

## Caddy Clean Scrubbing Machine

Caddy Clean is a versatile, lightweight scrubbing machine which can be used on almost any surface, making it a popular choice with professionals. Battery operated and compact, it is perfect for cleaning hard to reach areas where bulky mains-operated machines can't fit.

Its 1.7 litre solution tank (sold separately) and trigger delivers fluid straight to the scrubbing heads, which includes soft microfibre or abrasive pads and bristle heads for tough scrubbing, cleaning and polishing. The telescopic handle reduces bending and stretching, and the handheld attachment can be used on its own for scrubbing on bathroom or kitchen surfaces.

Pads and brushes are easily attached and the heavy-duty lithium-ion battery, which fits onto a belt, gives up to two hours cleaning time. Caddy Clean is suitable for use just about anywhere, with no need to carry multiple tools for different areas. Abrasive pads come in six colours.

### What's in the kit?

The kit includes the scrubbing machine, handheld attachment, 12v lithium-ion battery, charger and belt clip, two pad holders, a pair of abrasive and a pair of soft pads, and a pair of standard and light brushes (solution tank sold separately).

104235	Caddy Clean Scrubbing Machine Kit	11x18x90cm	1
100498	Solution Tank	1.7l	1
100493	Powerhead		1

100484	Pad Holder	9x9x3cm	2
100489	Microfibre Pads	11x11cm	10
102544	Scouring Pads	10x10x3cm	10
104348	Lithium Battery, Cable & Case		1
100476	Battery Charger		1
100480	Holdall		1

## Octopus Scrub Pad System

A flexible scrubbing tool which is ideal for cleaning both floors and skirting. Made from tough plastic, with a swivel head to reach into corners and a choice of four grades of abrasive pads for light, medium, heavy-duty and extra heavy-duty use. While it fits most of our handle range, we recommend our Aluminium and Hygiene handle. Can also be used with the Maxi Erase-all Floor Pad, which removes stubborn dirt, scuff marks and stains without the need for chemicals.

Machine washable

## Colorstar Printed Mat

Colorstar HD mats feature your custom logo or artwork printed on recycled PET material, delivering detailed photorealistic designs and vivid solid colors from a palette of 100 standard shades.

Ideal for high-traffic indoor areas like entryways, lobbies, and reception areas, these mats effectively capture dirt and moisture while showcasing your branding.

### Sizes available

60x85cm	75x85cm
85x115cm	85x150cm
85x300cm	115x180cm
115x200cm	115x240cm
115x250cm	115x300cm
150x200cm	150x240cm
150x250cm	150x300cm
200x200cm	200x300cm

**Bespoke sizes available up to 200x550cm**

Made from 100% recycled post-consumer polyester (PET) with a phthalate-free nitrile rubber backing (34% recycled content), they offer:

- Yarn weight: 935 g/m<sup>2</sup>
- Anti-slip backing: 1.4 mm thick
- Reinforced rubber border: 2.5 mm thick, 2 cm wide

Flame tested to BS 4790:1987 – low radius of ignition.

## How to order

Please send the artwork, orientation, number of colours, mat size and delivery details to [lisan@robert-scott.co.uk](mailto:lisan@robert-scott.co.uk) who will provide a quote and then process the order.

## Frontguard Entrance Mat

A high quality mat with luxury deep pile surface for excellent dirt and water retention, ideal for use in office and reception areas. Flexible non-slip backing for extra safety. Available in four sizes. Once opened, roll backwards to avoid trip hazard.

<b>105107</b>	90x60cm	1
<b>105108</b>	120x90cm	1
<b>105109</b>	150x90cm	1
<b>105110</b>	180x120cm	1

## Frontbrush Heavy Traffic Entrance Mat

A heavy-duty textured mat which will scrape away soiling from footwear, and a perfect choice for use in heavy traffic areas. Features a hardwearing, non-slip backing for extra safety. Available in a choice of four sizes in grey. Once opened, roll backwards to avoid trip hazard.

<b>105103</b>	90x60cm	1
<b>105104</b>	120x90cm	1
<b>105105</b>	150x90cm	1
<b>105106</b>	180x120cm	1

## Frontline Entrance Mat

An entry level, tufted polypropylene mat with good water retention, ideal for workplaces. Features a hardwearing, non-slip backing for extra safety. Available in four sizes and in blue and grey. Once opened, roll backwards to avoid trip hazard.

<b>105111</b>	90x60cm	1
<b>105112</b>	120x90cm	1
<b>105113</b>	150x90cm	1
<b>105114</b>	180x120cm	1

## Rubber Anti-Fatigue & Entrance Mat

A hardwearing rubber mat which is particularly suitable for employee protection against hard floors in either wet or dry areas. Made from tough 50% recycled NBR rubber with a slip-resistant raised surface and drainage holes, it conforms to safety tests and is ideal for workplace use. Available in two sizes.

<b>100424</b>	150x90cm	1	<b>100425</b>	120x80cm	1

## Avoid costly liability claims and ensure you comply with the latest health and safety laws.

Slipping and falling accidents cost businesses millions of pounds a year in compensation. Our range of high visibility signs warn of temporary hazardous areas, providing valuable safety information and marking of potential danger to help prevent slips, trips and falls. They are lightweight, highly durable and easy to transport.

### Standard Safety Floor Sign

A great value double sided A-frame sign to warn against potential hazards from wet floor surfaces during and after cleaning or spillages. Made from vivid yellow plastic with black graphics, these are available with a range of warning messages or blank for your own sticker. No assembly needed, folds flat for easy storage.

104867	Caution Wet Floor/Cleaning in Progress	62x30cm	10
101433	Cleaning In Progress	62x30cm	5
101439	Male/Female Attendant	62x30cm	5
105153	Male/Male Attendant	62x30cm	5
105152	Female/Female Attendant	62x30cm	5
101441	Wet Floor/Wet Floor	62x30cm	5
101434	Closed for Cleaning	62x30cm	5
101437	Window Cleaning	62x30cm	5
104366	Keep Your Distance	62x30cm	5
101438	Out of Service	62x30cm	5

### Safety Barrier Sign (Pair)

Features a clear red 'No entry' graphics printed on one side. Multiple panels can be clipped together to make a larger barrier. Folds flat for easy storage.

101461 45x90-270cm 6

### Safety Cone

A bright four-sided cone with universal wet floor graphic and 'Caution' printed on all sides.

105135 91cm 5

### Eco Safety Cone

A bright yellow, four-sided wet floor safety cone made from 70% recycled plastic.

105134 54x27cm 5

## Wet Floor Sign Printing

Advertise your company on every floor sign. We can custom print safety signs with your company name, logo and any special safety message. There is a minimum order quantity of 100 signs for this service.

## Eco Wet Floor Sign

A great value double sided A-frame sign made from 100% post-consumer recycled plastic. The sign warns against potential hazards from wet floor surfaces during and after cleaning or spillages. Made from recycled yellow plastic with black graphics. No assembly needed, folds flat for easy storage.

105050 62x30cm 10

## Stackable Caution Cone

A sturdy bright yellow cone made from tough polypropylene with 'Caution' in bold print on both sides to warn against hazards. Stackable for easy storage.

101464 46cm 10

## Hanging Door Safety Sign

A handy, spring-loaded bar with hanging sign, easily fitted to doorways from 70-95cm to prevent entry during cleaning. Made from flexible, hardwearing materials with rubber end caps to prevent damage to door frames. Rolls up for easy storage when not in use. 'For cleaning' can be hidden for general use.

101442 70-95cm 4

## Door Stop With Handle

A handy tool to safely prop doors open for easy access during cleaning tasks. The ergonomically-designed long handle with built-in locking/unlocking mechanism enables easy use with no bending. It also has a sturdy rubber stopper with a non-slip base to prevent damage to doors and flooring.

# KGS FLEXIS® FLOOR PADS – DIAMOND CLEANING MADE EASY

KGS Flexis pads are designed to be the ultimate in daily cleaning and polishing of virtually any hard floor without chemicals. Made with Ferrizon®+ microcrystal technology, they produce cleaner and shinier floors in less time.

Flexi pads are available in five grades of coarse, medium, fine, very fine and ultra-fine.

**Red: coarse 400**

The red pad is mainly used for heavy duty surface renovation. It is intended for deep cleaning and as a good starting point for the rest of the process. Used for rough, greasy or very dirty surfaces, or as a process starter and occasional use.

**Blue: medium 800**

The blue pad can be used for deep cleaning and produces a light reflective finish, most popular in large industrial and commercial applications. Used for high traffic floors, occasional use for deep cleaning and daily for light gloss.

Light gloss

**Yellow: fine 1500**

The yellow pad is intended for both daily polishing and cleaning, producing a clear, reflective shine. For floor maintenance and daily for medium gloss.

Medium gloss

**Green: very fine 3000**

The green pad polishes your floor to a high gloss. Daily use will maintain and improve the polish. Used for the daily cleaning of all floors to a high gloss.

High gloss

**Cream: ultra fine 8000**

The cream pad is used for buffing wet or dry giving the ultimate in 'wet look shine' for high gloss finishes. If it is used daily, in combination or without the green pad, it will maintain and improve the deep polish shine.

Ultra high gloss

Flexi pads are available in five grades of coarse, medium, fine, very fine and ultra-fine.

- Thicker and stronger 20mm pads.
- Open weave provides self-cleaning without chemicals – only use water.
- Reduces cleaning times.
- Proven long lasting results and shinier floors.

<b>102571</b> Ultra Fine	● 16"	2	<b>102575</b> Ultra Fine	● 20"	2

The biggest and most abused floors are no barrier for KGS Flexis. There is no need to alter your program, just fit the appropriate pad onto your scrubber dryer or rotary floor machine.

## How to use for daily cleaning

KGS Flexis pads make floor cleaning and polishing easy; just follow a few simple guidelines.

- Designed to be used with rotary floor machines and scrubber dryers, and speeds of between 200 and 800rpm and weights between 20 and 80kgs. For best results, please use a drive board.
- The pads can be used on terrazzo marble, granite, concrete, ceramic tiles, vinyl, plastic, linoleum, epoxy and acrylic floors – just match the pad to the floor.
- Remove dirt and dust using the coarse pad.
- Test in an out of the way area before beginning the full job and in an area that can be easily controlled.
- Flexis pads do not require heavy duty chemicals to work.
- Beware of sharp protrusions in the floor (i.e. metal strip or sharp lippage).
- Make sure you fit the pad colour side down.
- Use flat Velcro style drive boards to maximize floor contact. This delivers a more even floor finish.
- For daily cleaning we recommend the green pad, one pass and wet.
- Wash pads daily for best performance and to extend life of the pads.
- Flexis pads do not require chemicals, just use water.

## Deep cleaning sequence

For maximum deep cleaning we recommend the four step process of Flexis red, blue, yellow and green in sequence, each with five passes and using water.

## Top tip

For best results, use a flat Velcro style drive board. A brush type drive board which does not offer flat coverage can result in uneven pad wear.

### Surface application guideline

Material / surface	Daily cleaning	Wet look high polish	Deep cleaning			
	3000	8000	400	800	1500	3000

FLOORCARE – FLOOR PADS

**Standard Speed Floor Pad**

For machines operating up to 600rpm. 85mm push out centre hole prevents the floor pad from overheating. Pads hug uneven floors and can be used on both sides with no loss of efficiency. To extend the life of the pads, brush the pad surface while rinsing with clean water by using the centre push-out piece, and hang to dry.

**Black: stripping & cleaning**

For wet scrubbing strong layers of emulsion floor polishes. Removes the old finish and eliminates concrete burns.

**Blue: light cleaning**

Light cleaning and spray burnishing.

**Brown: scrubbing**

Hard aggressive scrubbing wet or dry, with strippers. Prepares the floor for new emulsion floor polishes.

**Green: intermediate cleaning**

For the removal of surface layers of wax and to prepare the floor for the next process. Use wet.

**Tan: polishing**

For light cleaning and maintaining all types of floors. Use dry.

**Red: polishing spray**

For frequent use on relatively clean floors and spray burnishing. It also cleans and polishes dry.

**White: finishing & polishing**

Suitable for finishing and polishing floors. Use dry.

<b>102624</b>	Black (Hard Durable Finish)	17"	5

**Natural:**  
Moderate Buffering

**Black: Hard Durable Finish**

**Erase-all Floor Pad**

The floor pad is designed to clean tough marks, stains and ingrained dirt on hard floor surfaces such as concrete, ceramic, marble, stone and safety flooring. Can be used daily, periodically or for deep cleaning. It's environmentally-friendly as there's no need for cleaning chemicals – you just use water. Made from a melamine compound, the pad is designed for scrubber dryers and rotary floor machines.

TROLLEYS**

## MOPS, HANDLES, BUCKETS & TROLLEYS – SOCKET MOPS

### Big White Exel® Socket Mop

A lightweight, super-absorbent and semi-disposable mop made by recycling offcuts of a spunlace fabric, with the extra-secure Exel push fitting to avoid the mop slipping in the handle whilst wringing. A great value, fast drying alternative to cotton mops, ideal for smaller areas. Colour coded sockets plus white.

<b>102197</b>	Small	92g	10x10pk
<b>102199</b>	Standard	107g	6x10pk
<b>102201</b>	Large	150g	5x10pk

### Big White RS1 Socket Mop

A lightweight, super-absorbent and semi-disposable mop made by recycling offcuts of a spunlace fabric. A great value, fast drying alternative to cotton mops, ideal for smaller areas. Features a more environmentally friendly RS1 socket with less plastic. Colour coded sockets plus white.

<b>102204</b>	107g	6x10pk
---------------	------	--------

### Big White T1D Socket Mop

A lightweight, super-absorbent and semi-disposable mop made by recycling offcuts of a spunlace fabric. A great value, fast drying alternative to cotton mops. Ideal for smaller areas and available with colour coded sockets plus white. Features a more environmentally friendly T1D socket with less plastic. Push fits onto alternative handles, as well as our own.

<b>102209</b>	Small	87g	10x10pk
<b>102211</b>	Standard	102g	6x10pk
<b>102213</b>	Large	137g	5x10pk

### Refill Mop

Our Refill Mop has a unique, patented reusable mop socket which easily and securely clips the mop head into place. Just replace refills when necessary to reduce plastic waste and save money. Sockets are colour coded plus white. UK patent No. 2497337.

The refill is available in three yarns. The Big White mop is made from non-woven waste fabric, is low linting and highly absorbent. A recycled cotton-rich version is also available in both PY and twine yarns. The Big White Refill starter kit comes with 20 mops and 10 clips.

## MOPS, HANDLES, BUCKETS & TROLLEYS – SOCKET MOPS

### Exel® Revolution Socket Mop

A circular mop head with the Exel push fit socket. Stayflat band holds the circular shape enabling the mop to cover a larger floor area, whilst the looped yarn prevents linting and yarn tangling in use. Made from a unique blend of recycled cotton and polyester yarn for improved strength and absorbency. Available in various weights and colours. Washable up to 60 degrees.

<b>103074</b>	200g	20	<b>103076</b>	300g	15
<b>103075</b>	250g	15	<b>103077</b>	350g	10

### Exel® Microfibre Socket Mop

This Exel microfibre mop combines superior microfibre yarn with the Exel push-fit socket, making it one of the most absorbent mops on the market. The mop can clean a larger floor area faster than traditional cotton mops, as it's made with a stayflat band, which holds the mop in a circular shape that increases contact with the floor.

<b>104411</b>	185g	20
---------------	------	----

### Hygiemix Socket Mop

A circular mop head with a T1D screw thread socket. The stayflat band holds the circular shape enabling the mop to cover a larger floor area, whilst the looped end prevents linting and yarn tangling in use. Made from a unique blend of recycled cotton and polyester yarn for improved strength and absorbency. Washable up to 60 degrees. Available in various weights and colours.

<b>100883</b>	Sewn Centre		250g	50

**Microfibre Stayflat Kentucky Mop**

A high quality, extra absorbent microfiber mop, ideal for fast and hygienic cleaning of large floor areas without the need for chemicals. The stayflat band keeps the yarn flat on the floor surface enabling the mop to cover a larger floor area, whilst the looped end reduces linting and yarn tangling in use. Use with our kentucky fittings. Flagged for colour coding.

<b>101183</b>	340g	25
---------------	------	----

**Coloured Hygiemix Kentucky Mop**

A fully colour coded and hardwearing Kentucky mop made from a unique blend of recycled cotton and polyester yarn. Abrasive scratchback centreband for removing dirt while mopping.

<b>104133</b>	340g	10
<b>104135</b>	450g	10

**PY Yarn Kentucky Mop**

Absorbent recycled PY yarn Kentucky mop for larger floor areas. PY yarn suitable for wood, laminate and other smooth floor surfaces. Various weights available, and flagged for easy colour coding. Use with our Kentucky mop fittings.

<b>100962</b>	340g	Flagged	40	<b>100975</b>	560g	Flagged	30

<b>100951</b>	450g	Flagged	40				

### Scratchback Stayflat Kentucky Mop

PY, Twine and Hygiemix recycled yarn kentucky mops with an abrasive scratchback centre band for removing dirt whilst mopping. The stayflat band keeps the yarn flat on the floor, enabling the mop to cover a larger floor area, whilst the looped end reduces linting and avoids yarn tangling in use. White colour scratchback is standard, also available with coloured scratchback.

## ONE HANDLE FITS ALL WITH THE ROBERT SCOTT HYGIENE HANDLE

With a universal screw fitting, the Hygiene handle can be used with practically every cleaning tool, including push-fit, collar grip and, of course, screw-fit sockets. This means you can sweep, mop and squeegee without the hassle of stocking different handles for different jobs.

The Hygiene handle can be used with all of these products:

All Prairie Mop Fittings

All Socket Mop Fittings

Washable Broom

Washable Deck Scrub

Washable Grout Brush

Heavy Duty Floor Squeegee

Octopus Scrub Pad System

Uniko Break-frame

Microspeedy Break-frame

Microtex Flat Mop Frame

### How to fit a Hygiene handle to an Exel® socket mop

The Exel push-fit socket features internal ridges, which are designed to take the thread of the Hygiene handle. This means the Hygiene handle fits both screw and push fittings.

To fit, push the Hygiene handle into the Exel socket and, while applying firm pressure, screw the handle clockwise until tight. The handle will screw its own thread into the socket.

To remove, place the mop head on the floor, preventing it from moving by placing a foot on the yarn, and simply unscrew in an anticlockwise direction.

### Buffalo Kentucky Bucket & Wringer 25L

Made from hardwearing polypropylene with dirt retaining sump and unique curved shape to avoid spillage. Sturdy, effective handle-operated wringer suitable for use with Kentucky mops 300-450g. Colour coded.

101253	Buffalo Bucket & Wringer	25L	1
101244	Buffalo Bucket Only	25L	1
101365	Buffalo Wringer Only		2

### Microspeedy Bucket & Wringer 20L

A lightweight wheeled bucket with removable wringer and divider. The bucket is designed to be used for damp mopping with microfibre mops. Ideal for quick response cleaning. Printed with 'Caution wet floor' on two sides, and available in four colours.

- 101248** Bucket & Wringer 20L 1
- 101363** Wringer 24x22x24cm 1

Microfibre cleaning Quick response 20L capacity

### Recycled Professional Bucket & Wringer 15L

A sturdy eco bucket made from 97% recycled plastic with a high profile clip on wringer to reduce spillage. Printed with 'Caution wet floor' on two sides and features internal graduation marks. Available in five colours.

- 102946** 15L 10

### Great British Bucket & Wringer 14L

The aptly named 'Great British bucket' comes with a large wringer, graduation marks and, of course, is made in the UK. Colour coded.

- 104025** 14L 10

### Double Bucket & Wringer 14L

A two section bucket with eight and six litre compartments and a central wringer, designed to separate clean and dirty water for improved hygiene. Heavy-duty double handle for extra safety when carrying. Available in four colours.

- 102950** 14L 10

## SUSTAINABLE PRODUCT

### Recycled Great British Bucket & Wringer 14L

The UK made Recycled Great British bucket with colour coded handle and wringer. The bucket is made from 70% recycled plastic and features a solid, compact design, wringer with high neck sieve, handle, mop holder and overspill holes.

- 104888** 14L ●●●●● 10
- 104622** 14L ● 10

### Homeware Bucket 10L

A good value basic plastic bucket with easy grip carry handle. Available in five colours.

- 102834** 10L 30

### Round Bucket 10L

A heavy-duty 10 litre bucket with metal handle, pouring spout and graduation marks. Available in red and white.

- 102953** 10L 12

### Galvanised Bucket & Roller 10L

A durable 10 litre bucket made from galvanised steel, with integral roller-operated wringer.

- 101473** 10L 1

### Builders Bucket 15L

A heavy-duty, durable polypropylene bucket with a strong metal handle, integral pouring spout and internal graduation marks.

- 102955** 15L 20

### Recycled Flexi Tub 42L

A 100% recycled, robust and flexible tub that is suitable for both indoor and outdoor use. Featuring two handles and made from durable recycled LDPE, the bucket style tub is easy to store and stackable with others.

- 104626** Black 42L 50x45x38cm 12

MOPS, HANDLES, BUCKETS & TROLLEYS – RAPID RESPONSE MOPPING

### Pro-mist Mop System

An innovative microfibre flat mop kit, which combines the new ergonomic Pro-mist spray handle and microfibre pads for effective, rapid response floor cleaning without the need for buckets or constant wringing out.

The Pro-mist features a removable bottle and spray trigger, and delivers a fine mist of solution directly to the cleaning surface, helping you to clean and dry floors quickly. The mop's break-frame also has a built-in release system to avoid user contact with the soiled mop. The Nano-Ag mop is also available as a scrub mop.

- Microfibre cleaning
- Anti-bacterial
- Innovation
- Time saving

MOPS, HANDLES, BUCKETS & TROLLEYS – BUCKET-FREE MOPPING

### Microtex® Mop System

A bucket-free microfibre mopping system ideal for use on wood or non-slip floors, without the need for a bucket or chemicals.

Spray bottle delivers water direct to cleaning area, and the multi-angled holder enables easy access to hard to reach areas. Designed for use with the Microtex flat mop, Microtex scrub flat mop, or fastnet floor pad. Mops are washable and flagged in four colours.

- Microfibre cleaning
- No chemicals required
- Washable
- Use wet or dry

It is available in two kits: with an antibacterial Nano-Ag silver microfibre mop to prevent bacterial growth; or a 10pk of disposable Microfibre Mi-mops which are ideal for hygiene-critical areas such as restaurants where there is no access to laundry facilities.

This kit can also be used with our range of microfibre flat mops featured on page 65.

### Microspeedy Mop System

The Microspeedy kit is a professional quality, complete flat mopping system which enables easier, faster and more effective cleaning, especially in high traffic environments where surfaces need to be cleaned and dried quickly.

-   
Microfibre cleaning
-   
No chemicals required
-   
Quick response
-   
Use wet or dry

It is designed to be used with our highly effective and easily fitted 40cm microfibre flat mops, which use the minimum amount of water for fast drying, and do not need chemicals to give excellent cleaning results.

The break-frame ensures easy fitting and removal of mop heads which are flagged with four colours. The kit includes the easy fitting Microspeedy break-frame, Microspeedy microfibre flat mop head which is flagged with four colours, the 125cm colour coded Hygiene handle, and the wheeled 20L Microspeedy bucket and wringer.

<b>101284</b>	Microspeedy Kit: Bucket & Wringer, Flat Mop, Break-frame, Hygiene Handle		1

<b>103131</b>	Hygiene Handle		137cm 20

### Easy Wash Flat Mop System

Easy Wash is a compact microfibre flat mop system, which is a faster and more versatile way to clean small to medium areas than socket mops, including quick response cleaning and difficult areas such as staircases, skirting and behind pipes.

-   
Quick response
-   
No chemicals required
-   
Lightweight
-   
Touch-free hygiene

The abrasive microfibre mop cleans without chemicals and, as you use less water than traditional mops, the floors dry faster too. The touch-free frame reduces the risk of cross-contamination, while the micro flaps prevent accidental release during use.

<b>104815</b>	Easy Wash Flat Mop Kit		32x39x30cm	1
<b>104816</b>	15L Easy Wash Bucket & Wringer		30x37x38cm	1

<b>104818</b>	Easy Wash Microfibre Mop	Flagged	35x15cm	10
<b>103152</b>	Telescopic Handle		90-162cm	5

## Exel® Multipurpose Trolley

A compact cleaning trolley that has been designed with flexibility in mind and packed with useful features to accommodate a wide range of cleaning products.

The Exel trolley can carry both a tub vacuum and mopping equipment, and comes equipped with a 45L waste bag and a checklist holder built into the bag cover. The innovative accessory rail, which runs around the trolley, allows for a wide variety of configurations of the two 7L lockable containers, two handle/equipment holders and rubber-lined hose clip.

**105140** 88x55x105cm 1

Multi-purpose

Durable

Lockable

45L capacity

With the Exel® Multipurpose Trolley's clever design and innovative rails, holders and clips, it can accommodate a wide range of products for different cleaning methods. This includes Kentucky mopping for larger floor areas, to bucket-free microfibre flat mopping for quick response and

spot cleaning. All, of course, while also being able to carry a tub vacuum along with plenty of other accessories. There's so many options that we thought it would be useful to show a few examples of different cleaning kits.

## MOPS, HANDLES, BUCKETS &amp; TROLLEYS – MICROFIBRE TROLLEYS

**ROKLEEN MICROFIBRE TROLLEYS**

Rokleen is a versatile and compact trolley system for pre-soaked microfibre cleaning. The system uses the minimum of water to soak up to 20 mops in sealed containers.

This is a more environmentally-friendly cleaning method as it significantly reduces the use of cleaning chemicals and water. And, as the flat mops are used damp, there's no need for wringing out so floors dry faster than traditional mopping, resulting in a much safer task.

**Rokleen Midi Pre-soaked Mopping Trolley**

The Rokleen Midi is made from heavy-duty, shock-resistant plastic, designed for stability, easy manoeuvring and storage. It includes red and blue 4 litre container and lids, a 20 litre container and hermetically sealed lid for pre-soaked mops and cloths, red and blue 60 litre waterproof bags for laundry nets, and three anti-slip rubber handle holders. Laundry nets are also available (sold separately).

Faster drying floors

### Lockable Alpha Trolley

The Alpha Trolley is ideal for larger working environments and lets you easily take all of your equipment with you. It is made from heavy-duty shock resistant plastic, with a lockable cupboard for secure storage. When not in use, the trolley can be folded into a compact size for easy storage.

-   
Medical
-   
Microfibre cleaning
-   
Lockable
-   
High performance

Lockable storage cupboard with shelf and tray

80cm

Folds to a compact size of 80cm wide for easy storage

This is an environmentally-friendly cleaning method as it significantly reduces the use of cleaning chemicals and water. And, because the flat mops are used damp, there's no need for wringing out and floors dry faster than traditional mopping resulting in a much safer task.

The trolley includes two 10 litre containers and lids, and two 12 litre lidded containers for pre-soaked mops and cloths, two red and blue wash net carriers, three anti-slip rubber handle grips. Buckets are available in four colours. Laundry nets are also available (sold separately).

MOPS, HANDLES, BUCKETS & TROLLEYS – CART ACCESSORIES

**Baggy Sweeping Set**

Versatile lightweight sweeping set with jointed rubber blade, open ended pan and integral bag holder to remove and hygienically collect dirt at the same time.

- 104490** 29x98cm 1
- 102935** 29x98cm 6

**Flexi Cleaning Tool**

A handheld tool which bends into shape to clean the trickiest places. The microfibre sleeve attracts and holds dust, and can be used dry for dusting or damp for tougher cleaning tasks. Chenille microfibre and disposable sleeves are also available. Can be used with cone fitting telescopic handles.

- 103368** Cleaning Tool 72x6cm 5
- 100684** Microfibre Sleeve 52x7cm 2x10pk
- 104700** Chenille Microfibre Sleeve 52x7cm 2x10pk
- 104181** Disposable Microfibre Sleeve 60x7cm 20x12pk
- 103164** Ergo-Globe Handle With Cone Fitting 90-162cm 10

MOPS, HANDLES, BUCKETS & TROLLEYS – FLAT MOPS

**Nano-Ag Antibacterial Microfibre Flat Mop**

A microfibre flat mop with the antibacterial properties of silver nano technology which prevents bacterial growth on the mop, reducing the reliance on cleaning chemicals. Also available as scrub mop.

- 104303** Flat Mop 43x14cm 5
- 103274** Scrub Mop Flagged 43x14cm 10

**10 Litre Top Down Container & Lid**

A hermetically sealed container used for pre-soaking mops. The tight seal prevents mops from drying out. An accessory for all pre-soaked trollies.

- 101294** 10L 1

**4, 6 & 12 Litre Container & Lid**

A useful container and lid with graduation marks. Available in three sizes and colour coded.

- 101293** Container & Lid 4L 1
- 101223** Container 6L 1
- 104605** Lid for 6L Container 1
- 101295** Container & Lid 12L 1

**Cleaners Caddy**

An everyday essential carrier with strong grip handle and convenient multi-section compartments for tools, bottles and cloths.

- 101682** Cleaners Caddy 30x40x17cm 25
- 101684** Tote Standard 27x38x17cm 6

**Long Pile Microfibre Flat Mop**

A microfibre flat mop which features a longer pile for better dirt and liquid retention. Ideal for pre-soaked cleaning systems, reduces the need for pre-sweeping and is used in larger floor areas such as corridors, canteens and departments.

- 101184** 40x15cm 25

**Microspeedy Cotton Looped Mop**

A microfibre flat mop which features a longer pile for better dirt and liquid retention. Ideal for pre-soaked cleaning systems, reduces the need for pre-sweeping and is used in larger floor areas such as corridors, canteens and departments.

- 100651** 40x15cm 25

**Measuring Jug**

A 1.5 litre preparation jug with graduation marks to indicate how much solution to pour for pre-soaked microfibre cloths and mops.

- 101525** 1.5L 1

**Plastified Trolley Bag**

Water repellent trolley bag designed for use with laundry nets and carrying dirty mops and cloths.

- 101292** 60L 1

**Drawstring Laundry Net**

Colour coded laundry nets for mops and cloths. Includes labels for returns.

- 101310** 62x83cm 80L approx 1

**Short Pile Microfibre Flat Mop**

A short pile microfibre flat mop for use on all types of hard floors. It is ideal for pre-soaked cleaning systems, mopping small to medium sized areas, and especially for medical environments due to its close floor contact.

- 100641** 43x15cm 10

**Microbristle Safety Floor Flat Mop**

A durable, flat microfibre mop with PES carbon bristles for tough stains. Its breathable, hygienic design prevents trapped dirt and moisture. Washable with color-coded tabs and pocket/ear fixings. Test in an inconspicuous area before use.

- 105310** 46x17cm 10

MOPS, HANDLES, BUCKETS & TROLLEYS – FLAT MOPS

**Uniko Break-Frame**

Plastic flat mop frame designed for use with flat mops which have pocket fittings. Built-in mop release system to avoid user contact with soiled mop when changing heads.

- 103372 40x11cm 1
- 103373 40x11cm 5

**Microspeedy Break-Frame**

A plastic break-frame as part of the Microspeedy Mop System ensures easy fitting and removal of the flat mop.

- 104772 40x78cm 10
- 104773 40x78cm 1

**Mi-mop Microfibre Flat Mop**

A disposable microfibre flat mop, ideal for rapid response cleaning in hygiene-critical areas such as hospitals or restaurants where there is no access to laundry facilities. It is low linting, lightweight, stays strong when damp, and is available in four colours.

- 104327 41x13cm 50
- 103570 41x13cm 10x50

**Trio Microfibre Flat Mop**

A tougher microfibre flat mop which features three abrasive stripes for cleaning tougher marks along with looped edging for corners. It is washable with colour coded tabs. The mop can be used for both bucket and spray mopping.

- 100666 41x12cm 10

**Microfibre Flat Mop**

A versatile flat mop for heavily soiled areas, the Microfibre features a checked microfibre and scrub pattern plus a fringe for removing loose dirt. The mop is washable with colour coded tabs.

- 104341 43x13cm 10

**Speedy Microfibre Flat Mop**

A microfibre flat mop and scrub mop designed to be used damp with the Microspeedy Mop System for the effective cleaning of large hard floor areas. It is washable, can be used for both bucket and spray mopping, and features colour coded tabs. Scrub mop is ideal for safety floors.

- 100662 Speedy Flat Mop 45x16cm 10
- 100655 Scrub Flat Mop 43x13cm 10

**RENTAL LINEN**

RENTAL LINEN – KITCHEN LINEN & GLASS CLOTHS

**Terry Waffle Cloth Blue Stripe**

A durable high quality, highly absorbent terry cloth, suitable for general purpose drying and wiping.

**103873** 45x71cm 250

**Herringbone Kitchen Cloth**

A heavy-duty all-purpose cloth suitable for a wide range of kitchen uses.

**103942** 50x76cm ● 250  
**103904** 50x76cm ● 250

**Blue/Blue Kitchen Cloth**

A versatile, good quality cloth suitable for general kitchen use or as a glass cloth.

**103891** 50x76cm 250

**Centre Stripe Glass Cloth**

Good quality low linting glass cloth. Available in five colours.

**102787** ●●● 50x76cm 10x10  
**102788** ●●● 50x76cm 250  
**103941** ●● 50x76cm 250  
**105148** ●● 50x76cm 10x10

**Blue/White Glass Cloth**

Hard-wearing all-purpose cloth, suitable for glass or general wiping and drying.

**103939** Glass Cloth Blue/White Wide Stripe 50x76cm 250

RENTAL LINEN – OVEN, WAITERS, GRILL CLOTHS & NAPKINS

**Herringbone Oven Cloth**

A heavy-duty cloth giving excellent protection when handling hot kitchen items. Available in heavy and standard weights.

**103854** Blue Stripe 50x76cm 125  
**100789** Pink Stripe Antibacterial 46x72cm 250  
**104442** Standard 50x76cm 250

**Check Waiters Cloth**

A universally popular white waiters cloth with two blue stripes, ideal for use in front of house.

**103901** 45x71cm 250

**Grill Cloth**

A high quality cloth suitable for use as a placemat or as a napkin. Available in three colours to match front of house décor.

**102737** 53x38cm 250

**Centre Stripe Napkin**

A high quality napkin, available in three colours to match front of house décor.

**102739** Magenta 56x61cm 5x50  
**102739** Silver 56x61cm 5x50  
**103890** Black Centre 56x61cm 5x50

**Blue Herringbone Napkin**

A heavy-duty herringbone-weave napkin suitable for all types of dining.

**103846** 56x61cm 250

### Own label laundry bags

Order laundry bags printed with your logo for easy identification, now available in a range of colours and designs to suit your requirements. For more information please contact your account manager.

### Laundry Kit Bag Style With Drawstring & Fixlock Closure

A classic drawstring and fixlock closure laundry bag made from tough polyester. Available in five colours.

- 101262 80x40cm 10
- 103390 80x40cm 50

### Hamper Style Laundry Bag

Hamper style laundry bag with protective top flaps, three straps with ladder-lock closures, handles and four corner eyelets for trolley fitting. Available in seven colours.

- 103392 Laundry Bag 68x45x45cm 50
- 101269 Laundry Bag 68x45x45cm 10
- 103721 Hamper Trolley 48x74x107cm 1

### Small Garment Laundry Bag

A washable laundry bag made from robust polyester, capable of holding around 10 to 12 garments to reduce the dependence on single use plastic bags. Protective top flap keeps garments secure and tidy. Bag is easily secured using simple but effective packing. Bags come with corner eyelets and are easily attached to the twin trolley to allow quick and effective packing.

- 104216 Small Garment Laundry Bag 56x22x42cm 50
- 104480 Double Laundry Bag Trolley 38x68x110cm 1

### Laundry Kit Bag Style With Webbing Closure

A kit bag style laundry bag with a simple, effective webbing closure to keep garments clean and secure. Made from 140gsm washable polyester and available in five colours.

- 103957 80x40cm 50

### Laundry Net Bag

A heavy duty polyester laundry net bag, ideal for product separation and protection during laundering. Zip closure with velcro protective zip tab. Available in two sizes and two colours.

- 104186 70x50cm 20
- 101270 70x50cm 100
- 101271 52x42cm 20

RENTAL LINEN – WIPERS

**Coloured Wiper**

Colour coded cotton wiper suitable for any industrial environment. Available in two colours.

**100808** 38x38cm 1000

**Heavy Weight Wiper**

Industrial wiper suitable for those areas where a heavy-duty cloth is required. Supplied in blue or green.

**104115** 34x39cm 300

**Processed Wiper**

Processed industrial cotton wiper prevents the need for initial washing. Available in two sizes

**100804** 36x38cm 1000

**100805** 53x53cm 500

**Loomstate Wiper**

Industrial cotton wiper for all applications.

**100806** 40x40cm 1000

RENTAL LINEN – DISPENSERS & CABINET ROLLER TOWELS

**Cabinet Roller Towel Dispenser**

A blocking mechanism stops the clean roll every 30cm. Includes a key lock, and fits maximum roll dimensions of 18x28cm, 40m length. Towels can be secured with snap closure, key opening.

**103619** Manual 38x27x49cm 1

**104210** Automatic 38x27x49cm 1

**White Roller Towel**

A high quality white roller towel suitable for any bathroom or changing facilities.

**103725** 38mx27cm 10

**Blue Roller Towel**

A tough, heavy-duty roller towel, ideal for use in industrial environments.

**102794** 38mx27cm 10

**Blue Royale Roller Towel**

A tough, heavy-duty roller towel, ideal for use in industrial environments.

**103739** 38mx27cm 10

## RENTAL LINEN – RINGSPUN TOWELS

**White Terry Hot Towel**

A white cotton cloth, suitable for use as a hot towel in a bar or restaurant environment.

**102828** 28x30cm 1200

**White Washroom Cloth**

A high quality absorbent hand towel ideal for use in bathroom or baby changing areas.

**102833** 30x56cm 250

**White Face Cloth**

A soft, white face cloth. Ideal for hospitality use.

**103956** 30x30cm 20x12

**102824** 30x30cm 5x12

**White Hand Towel**

A soft white hand towel with single header bar design, suitable for use in a wide range of environments.

**103886** 50x90cm 72

**102825** 50x90cm 12

**White Bath Towel**

A soft white bath towel with two header bar design, for use in hotel, medical, sports or domestic environments.

**103874** 70x135cm 36

**102822** 70x135cm 6

# ROBOTICS

## The future of robotic cleaning

Introducing MS60 Robotic Scrubber Dryer, our advanced scrubber dryer robot designed to transform cleaning. Combining powerful scrubbing, drying, and smart navigation, it tackles tough dirt with ease and covers floor areas efficiently.

Precision

Time-saving

Safety

Edge-cleaning

## MS60 Robotic Scrubber Dryer

The MS60 delivers efficient, consistent, and cost-effective cleaning by quickly covering large areas and reducing manual labour. It scrubs and dries floors in one pass, enhancing hygiene and safety. With advanced automation and navigation, it adapts to different layouts and integrates easily into industrial environments.

<b>105004</b>	MS60 Robot	81x78x112cm	1
<b>105047</b>	Standard Charging Station	36x23x37cm	1
<b>105078</b>	Integrated Charging Station	24x30x109cm	1

## MS45 Robotic Scrubber Dryer

The MS45 is a compact and efficient scrubber/dryer robot, designed as a more maneuverable alternative to the larger MS60. Its smaller footprint makes it ideal for industries like leisure, healthcare, schools, and transportation hubs, where space can be limited and there's a need for a versatile cleaning solution.

<b>105372</b>	MS45 Robot	65x55x72cm	1
<b>105446</b>	Charging Station	32x22x34cm	1

## SH1 Upright Scrubber Dryer

The smart SH1 upright scrubber dryer delivers fast, efficient cleaning with instant scrub-and-dry action for spotless results in one pass. Its advanced separation system ensures reliable performance, while multiple modes and multidimensional cleaning adapt to various surfaces. SH1 offers a smarter, faster, and more versatile cleaning solution, along with intelligent reporting, and handheld vacuum and window cleaning kit (sold separately).

<b>105402</b>	SH1 Scrubber Dryer	49x53x120cm	1
<b>105431</b>	Handheld Kit	30x57x21cm	1

## MT1 Robotic Floor Sweeper

The MT1 is the world's first AI-powered sweeping robot designed for large-scale environments, delivering exceptional performance and comprehensive cleaning capabilities. With cleaning results rivaling ride-on sweepers, it is dedicated to providing users with an efficient and seamless cleaning experience.

<b>105373</b>	MT1 Robot	60x84x49cm	1
<b>105389</b>	Charging Station	32x24x60cm	1

## Seamless adaptation to dynamic environments

The MT1 ensures flexible and adaptive operation, quickly adjusting to dynamic environments. Equipped with three-dimensional depth perception and multi-sensor fusion, the MT1 navigates complex spaces smoothly, avoiding collisions and ensuring clear paths without blockages.

AI powered

All debris

Dust control

Spot cleaning

# Cutting-edge technology that is reshaping the future of cleaning solutions.

Cleaning professionals are more valuable than ever, but rising costs and labour shortages make efficiency essential. Robert Scott Robotics - the smart fusion of robotics and cleaning services - takes on repetitive, time-consuming tasks, freeing operatives to focus on high-impact areas. By working alongside Robert Scott Robotics, cleaners boost productivity and deliver better results where it matters most.

## Follow you wherever you go

Featuring a powerful lithium battery, sensors and connectivity, the Follow-me Trolley will follow its user's remote control at a distance of one metre or manual mode where you can control and call it to you at a distance of up to 11 metres while safely navigating around static and moving obstacles on its travels.

- Smart
- Effortless
- Safety
- Versatile

## Exel® Follow-me Smart Trolley

The Exel® Follow-me Smart Trolley uses hands-free technology to follow the user, streamlining workflow and reducing unnecessary steps. As the first cleaning trolley of its kind, it features advanced obstacle avoidance, drop detection, and flexible design to suit various cleaning needs.

105426 77x55x109cm 1

## SPRAYS, PUMPS & TOUCAN ECO

SPRAYS, PUMPS & TOUCAN ECO – SPRAYS & PUMPS

**Dosage Pump**

For the delivery of a wide variety of viscous products such as hand soaps, detergents, waxes and cleaning chemicals. Standard closures 38mm, 40mm, or 60mm. Can accommodate a multitude of larger plastic or metal lids and closures. Restrictor clip available to reduce the output of pump in 5ml stages.

<b>102105</b>	38mm Closure For 5L Container	10ml	25
<b>102116</b>	38mm Closure For 5L Container	15ml	25

## SPRAYS, PUMPS &amp; TOUCAN ECO – TOUCAN ECO BIO-CLEANING SYSTEM

## TOUCAN ECO RANGE

**Robert Scott's Toucan Eco bio-cleaning system is a revolutionary way to produce a multipurpose disinfectant cleaner on-site, which replaces 80% of chemical cleaners and puts an end to the single use plastic bottles they are supplied in.**

The system requires only two ingredients – table salt and tap water – which are electrochemically activated by applying a small electrical current using a specialised electrolysis cell. This produces hypochlorous acid, a powerful disinfectant, along with a very low concentration

of sodium hypochlorite which, when combined with a pH of around 7.8 to 8.5, acts as a mild cleaning agent.

The solution is up to 99.999% effective against bacteria. And, as the cleaning disinfectant is non-toxic and non-hazardous, it's a safe and effective way to clean, offering a truly viable option for sustainable cleaning, and a less harmful product for end users.

All our Toucan Eco products are

## Centrego Renew

Designed for small workplaces and cleaning on the go, the Renew makes two litres of normal or double strength solution in four or eight minutes. Includes the jug and activation base, atomiser spray bottle and measuring spoon.

104977 2L 1

## Toucan Eco Worktop

Designed for cleaning smaller workplaces. It makes one litre of eco-friendly and multipurpose antibacterial cleaner in five minutes. The kit includes the 1 litre activation unit, measuring spoon, mixing rod, spray bottle and salt.

104004 1L 1

## Toucan Eco eSpray

The domestic eSpray model makes 330ml of the powerful, safe and eco-friendly disinfectant cleaner in 5 minutes. The kit includes the eSpray, measuring spoon and funnel, USB cable and user guide.

104744 350ml 1

## Toucan Eco Active

Suitable for small to medium-sized facilities, and produces 10 litres of solution in around 15 minutes.

104540 10L 1

## Toucan Eco Active Plus

Suitable for medium sized facilities and one activation, which takes around 40 minutes, produces 20 litres of antibacterial cleaner, which can be poured into bottles or buckets using either of the dilution dispensers.

104541 20L 1

## SPRAYS, PUMPS &amp; TOUCAN ECO – TOUCAN ECO SYSTEM

## Toucan Eco Auto

For medium to large facilities, Toucan Eco Auto takes 30 minutes to produce 20 litres of multipurpose disinfectant cleaner. Fully automatic, users only need to refill the salt container indicated by the LED display.

105156 20L 1

## Toucan Eco Flow

Suitable for large facilities. Automated to produce a constant flow of disinfectant cleaner. It can also be configured for cleaning and disinfecting solutions.

104292 400L 1

## THE RESTAURANT GROUP'S FOCUS ON SUSTAINABILITY

**The Restaurant Group (TRG) is one of the UK's biggest hospitality groups with a portfolio of over 400 restaurants and pubs including well-known brands in the casual dining market such as Wagamama, Frankie & Benny's, Chiquito and Brunning & Price.**

TRG is committed to operating responsibly, including sustainable and ethical sourcing of food, reducing its carbon footprint, and also boasts 3-stars (the highest available) in the Food Made Good Sustainability Rating.

In 2020, Duncan Goodwin, Head of Risk and Compliance at The Restaurant Group, was looking for a cleaning solution that sanitises surfaces quickly and effectively, without damaging furniture finishes.

"Having investigated it thoroughly, as well as putting Toucan Eco through our own trials, it became apparent that it has unique environmental benefits too." In spring 2021, TRG rolled out Toucan Eco across 80 pubs and 130 leisure facilities.

"The environmental benefits of using the system are hugely significant for our business."

It's now used to clean all hard surfaces using a spray and wipe method on worktops, tables and chairs, and replaces 11 chemicals the Group previously bought in.

**"As a result of using Toucan Eco, the Group saved 2.7 tonnes of plastic packaging, and 35,000 tonnes of chemical distribution"**

Feedback from the roll out has been positive all round and the restaurant customers like it too. It's simple to make onsite and takes a matter of minutes to convert the salt water to a powerful but safe disinfectant cleaner.

Goodwin continued: "For us, it has a return on investment of within six months, after which we're saving all of our chemical spend. It's effectively free to make from that point onwards."

SPRAYS, PUMPS & TOUCAN ECO – BOTTLES & HEADS

**750ml Bottle & Spray Head**

A round, clear 750ml spray bottle with graduation marks for the accurate dilution of fluids, available with spray heads in five colours.

<b>101982</b> Bottle & Spray Head	●●●●○	750ml	80

<b>104505</b>	Gel Fresh Holder		10

### P-Wave® Bowl Clip Air Freshener

A Bowl Clip with 40x more fragrance than standard rim sticks, lasting a month without batteries or aerosols. Clips easily onto toilet rims or various locations like screens, cars, or doors. Eco-friendly, water-safe, low VOC, and fully recyclable. Available in Mango, Spiced Apple, Honeysuckle, Ocean Mist and Cotton Blossom fragrances.

<b>105230</b>	6x13x5cm	6x12pk
---------------	----------	--------

## WASHROOM – HYGIENE

### P-Wave® NHS Slant6 Urinal Screen

The ultimate choice for fresher, cleaner washrooms. With 5x more fragrance, superior splash control, and made from recyclable materials with EcoPure® for faster biodegradation, it's both effective and eco-friendly. The unique design ensures correct installation every time. Working with NHS England to deliver a vital cancer awareness message, the Slant6 is also available as a P-Wave only branded option. Available in seven fragrances, Mango, Spiced Apple, Honeysuckle, Ocean Mist, Cotton Blossom, Cucumber & Melon and Midnight Coast.

<b>105255</b>	NHS		16x15x2cm	6x10pk
<b>105251</b>	P-Wave		16x15x2cm	6x10pk

### P-Wave® NHS Slant6 Orbit Urinal Screen

P-Wave's® Slant6 Orbit NHS urinal screen is the same market-leading and innovative Slant6 screen with a removable centre hole for waterless urinals fitted with cartridges and biological urinal caps. Delivering up to five times more fragrance for 30 days of freshness in a clean, splash-free design. Made with EcoPure® and recycled materials, it supports sustainability while promoting vital NHS health awareness. After removing the centrepiece, don't throw it away - it can be used as an air freshener, a bin freshener or even in a vacuum cleaner.

<b>105462</b>	16x15cm	6x10pk
---------------	---------	--------

### P-Wave® NHS Trough Urinal Screen

Designed for unbeatable fragrance and odour control. With splash-eliminating bristles on both sides, it ensures correct installation and 30 days of freshness, whether used alone or connected across the trough. Fully recyclable with EcoPure® for faster biodegradation and compatible with all trough urinals, including waterless systems. Working with NHS England to deliver a vital cancer awareness message, the Trough is also available as a P-Wave only branded option. Available in two fragrances, Mango & Spiced Apple.

<b>105258</b>	NHS	33x13x2cm	6x3x2pk
<b>105256</b>	P-Wave	33x13x2cm	6x3x2pk

<sup>1</sup>Independent long term biodegradation testing underway to ASTM D 5511 standard. This research shows 89% biodegradation in six and a half years.

### P-Wave® 360 Urinal Screen

The 360 urinal screen offers a breakthrough in restroom maintenance with up to 60 days of freshness and superior splash diffusion. Its innovative dual-sided design with vertical and horizontal protrusions minimises splashback and prevents incorrect installation, ensuring a cleaner environment with minimal maintenance. Available in two fragrances, Mango & Cotton Blossom.

**105229** 16x15x2cm 6x5pk

### Gel Urinal Screen

An anti-splash, fragranced gel urinal screen that removes odours for up to 30 days. Made from 75% recycled antibacterial material, it fits various urinals and complies with VOC, PAH, and REACH standards. Available in citrus (orange) fragrance.

**104749** 17x17cm 10 **104748** 17x17cm 10x10

### Deodoscreen Urinal Screen

Deodoscreen is a scented urinal screen suitable for in any urinal and lasts up to 30 days to help mask bathroom odours. The screen also prevents blockages. It is made from a minimum of 75% recycled plastic so colours may differ and include flecks. The screen is 100% recyclable, and the box and bag are made from recycled material. Deodoscreen is available in packs of 12 in floral fragrance.

**104481** 18x18cm 12

### BSG AirCare

BSG AirCare air and surface purifier is a chemical-free way to destroy odours and germs at source, improve air quality and reduce organic matter both on surfaces and airborne. Using advanced UV light technology, it kills airborne respiratory viruses, removes nasty odours, and destroys bacteria, fungi, algae and more. It can be used in a range of areas including washrooms.

**104972** AC10 13x41x9cm 1 **104973** AC20 13x41x9cm 1  
**104974** AC30 13x41x9cm 1

### Sanitary Bin 19L

A compact sanitary bin to fit any toilet cubicle, made from hardwearing, easily cleaned ABS plastic. Foot operated opening with secure cover to hide waste and contain odours.

**101690** 19L 18x35x56cm 1

### Titanium Automatic Hand Sanitising Station

A touch-free, floor-standing hand sanitiser station ideal for reception areas. The 1L battery-operated titanium dispenser with a sensor automatically dispenses onto the palm. WASTE EQUIPMENT – RECYCLING BINS

**Procycle Recycling Bin 80L**

- 80L capacity
- Recycle
- Durable
- Colour coded

**Procycle Recycling Bin 80L**

A modular recycling system with a range of back panel designs to simplify your recycling needs and includes connectors to build your own multi-recycling stations. The design features apertures at the front of the bin to attach waste bags (bags not included), while the lid can be lifted for the disposal of larger items and removed for an open bin option.

Made from hardwearing and robust polypropylene, the bins are available with colour coded back panels for glass bottles & jars, food tins & drinks cans, mixed paper & card, food waste, plastic packaging, general waste, and mixed recycling.

<b>105173</b> Bin, Lid & Printed Back Panel		34x55x105cm	1
<b>105171</b> Printed Back Panel		24x5x27cm	1
<b>105170</b> Bin & Lid		34x55x86cm	1

**How to build your own recycling station**

The system features a grey base and lid, so all you need to do is choose the recycling waste back panel and you're good to go. Each bin comes with a connector which easily slots into place.

WASTE EQUIPMENT – RECYCLING BINS

**Recycling Wall Hugger 90L**

Slimline recycling bin designed to save space – a 90L capacity that only protrudes 30cm from the wall. It features a moulded hand grip to save time when emptying, and is made from hardwearing polyethylene. Options of coloured open lids or a grey drop shot lid.

**Shovel Large**

A large, hardwearing shovel made from polypropylene, ideal for big floor cleaning tasks.

**105126** 35x15x110cm 8

# WINDOW CLEANING

WINDOW CLEANING – CLEANO RANGE

### Cleano Range

Save time and safely clean smooth indoor surfaces and windows without the need for buckets and ladders.

Cleano is an innovative telescopic tool, which has been designed to enable easier, faster and safer cleaning of larger and hard to reach window and flat surfaces. It comes in a range of sizes up to 6m to reach even the highest levels, without the need for buckets and ladders, and uses microfibre cleaning pads to give hygienically clean, smear-free results without the need for chemicals.

It has a built-in hand operated pump system which is completely mechanical, no need for batteries or potentially dangerous trailing wires. This delivers a fine mist directly onto the cleaning surface, minimising water use, and the removable microfibre pad efficiently attracts and holds dirt particles for a fast, thorough clean. The angled, swivel mop head allows easy access to even the trickiest corners.

The Cleano Kit includes your choice of handle plus one microfibre glass pad for the 1m option and three pads for the 1.4, 3 and 6m models. The Cleano Bambino includes a spot and glass microfibre pad.

<b>101554</b>	Bambino Cleano Kit. x1 Bambino, x1 Glass Pad, x1 Spot Pad	23x11x49cm	1

### PULEX™

WINDOW CLEANING – WINDOW WASHERS

### Unihandle Window Squeegee & Washer 35cm

### Unihandle Window Squeegee & Washer 35cm

The Unihandle allows you to quickly wash and wipe windows and surfaces without changing tools by combining a microfibre pad with abrasive square and squeegee in one, along with a unique swivel system. With a simple add-on blade, it also becomes an effective scraper.

The swivel system works in 2D with a smooth rotating movement (+/-150° or +/-180°), while also allowing the user to choose seven different angles to reach even the most difficult spots.

Compatible with majority of squeegee channels, the Unihandle also fits most telescopic poles with easy coupling/uncoupling and safety hole.

**104865** 36x28cm 1

### PULEX™

### Professional Window Cleaning Eco Kit

A core range of window cleaning tools designed for commercial and residential sectors. The kit includes a 24L Window Cleaners Bucket, 35cm T-Bar Applicator Handle and Window Squeegee, each made from up to 75% recycled plastic, along with a reusable Window Wash Sleeve and Microglass Microfibre Cloth.

In fact, all of the key products you need to keep your windows clean and shiny, while caring about the planet.

**104897** 55x30x27cm 1

## WINDOW CLEANING – WINDOW WASHERS

### Technolite T-Bar Window Washer

An ergonomically designed window washer with a non-slip rubber grip for better user comfort, for use with window wash sleeves. Head has a cross hatch structure which helps hold in water for quicker cleaning without repeated dunking. Available in three head widths for easy washing of all window sizes. To be used with our wash sleeves (sold separately).

**101013** Heavy 91x91cm 10

**101016** Heavy (Pre-washed) 75x80cm 10

# Celebrating one hundred years of Innovation

2025 marks a monumental milestone for Robert Scott - a century of dedication, innovation, and excellence in cleaning solutions. From humble beginnings in 1925 crafting machine rags, to shaping the future with cutting-edge robotics, this is more than a business story; it's a legacy of progress and purpose.

This year, we're not just celebrating 100 years of Robert Scott -

*We're honouring the people, the innovations, and the impact that have defined our journey.*
